1964 when his term expired. He has been an employee of John Deere Ltd. for the past 12 years. Mr. Wheatling was one of 3 semi finalists recommended by Lamond Dewhurst out of over 30 applicants. Swimming Pool Referring to a letter from Mr. Robt. Russell, chairman of the Swimming Pool Committee, which appeared in last week's Gazette, it was noted that the swimming pool is already included in the capital budget for 1965. As to Mr. Russell's suggestion that the people be polled within 90 days, all money by-laws are subject to the approval of the Local Authorities Board, and as Councillor Bakker remarked, "They just aren't likely to work that fast". Council appointed the Mayor to make a reply to Mr. Russell's letter, informing him of Council's actions regarding the swimming pool.

Court of Revision The date for the Court of Revision was set at February 23 and 24 at 7:30 p.m. in the Council Chambers. There are, at present, 15 requests for revision of assessment before the Board. Councillors Fowler, Kehling, McGee, Bakker and Stewart will serve of the Board.

Census Acting Secretary Treasurer, S.L. Billings, reported that the census of the Town of St. Albert for 1965 is now complete. Population is 9,070. Council adjourned and went into committee to meet with Mr. Frazer of Lamond, Dewhurst, to appoint the new Secretary-Treasurer. Mr. Loyd Wheatling has been appointed and will probably assume duties on or before the first of March.

RE. GARBAGE COLLECTION BY-LAW NO. 5/60

TOWN OF ST. ALBERT

The attention of all householders in the Town of St. Albert is drawn to the following Sections of By-law No. 5/60:

4. Every householder shall be responsible for the provision and maintenance of his own refuse can(s).
5. All refuse cans shall be constructed of first grade steel, hot-dipped in galvanizing zinc and all joints welded. It shall have handles on the sides and be fitted with a cover of similar construction to the can. The can shall be waterproof and the cover tight-fitting, thus preventing any contamination of the contents. The capacity of the can shall be approximately 16 (Sixteen) Imperial Gallons. No other containers shall be used for the storage of refuse without prior approval of the Sanitary Inspector.
6. All refuse cans shall be located normally in an accessible site for collection, but in an inconspicuous site, either next to the house where no service lane is provided, or adjacent to the service lane where one exists. The covers shall be kept on the cans at all times except for the filling and emptying operations.
7. Every householder within the Town shall strain all kitchen and table waste and wrap it in paper before depositing same in a refuse can.

To ensure the smooth operation of garbage collection, it will be necessary to strictly enforce the above sections of the By-law, effective February 1st, 1965. All householders should therefore arrange to provide the proper garbage containers, in accordance with the terms of the By-law, by this date.

Your co-operation will be greatly appreciated.

PARTY LINE

Have you ever gone to a tea, bazaar or reception and had your taste bud thoroughly delighted by a dainty just a little bit different than anything you've tasted before, and come away wondering what mysterious ingredients made up its success? Such a thing happened to several ladies this fall at a function at the R.C. Church. The sweet is described as being a deep cup cake shape with a short bread type base, possibly jam filled, and topped with whipped cream. When such a thing happens, one often wastes many hours and several pounds of ingredients trying to figure out by trial and error.

The ladies wanting this recipe have asked if the cook in proud possession would be so kind as to share it with them. After hearing of it, I too am eager to add it to my own collection. Please call 599-7189 if you think this is your recipe.

A PRINCIPLE

The appointment of Lloyd Wheatling as Secretary-Treasurer for the Town of St. Albert brings up some questions. We have known Mr. Wheatling for many years, when he served on the Board of Administrators and later on the Council. The questions that came to mind have nothing to do with Mr. Wheatling personally. We know that Mr. Wheatling has given much public service, even when it was unpleasant for him, and we are grateful. It is not our intention to cast doubts on his qualifications. A professional industrial psychology firm screened 30 applicants, selecting 3 of which Mr. Wheatling was one. The fact that Council chose him unanimously also proves that his qualifications are high. Mr. Wheatling has now to prove that his appointment will be a real asset to the town. We wish him success in this new (to him), important job.

Nevertheless, the point that we would like to bring up is this. Of the three screened candidates, two live in St. Albert. These two men were both active in the town's past and present politics, both were members of Council, and one was also a member of the Board of Administrators. We do not believe that either of these men (despite their good qualifications) should have been chosen because they took an active part in our local politics for many years. Too many controversies between the different political groups over the past years have brought the town trouble, locally and provincially. Therefore, we feel that this position should not be handled by any man who has been involved at any time in these troubles. It would have been much easier for all parties, if a complete outsider had been appointed to this key position. That way, no one could feel he was influenced by the past.

A very heavy load has been laid on the shoulders of the new secretary-treasurer. Was this necessary? Was there no way to avoid this? During the weeks that Council was studying the candidates, we have not interfered or written in any way about this matter although we knew that two local citizens had applied. We felt it more ethical to hold comment until Council had made their decision so that we would not influence anyone.

It doesn't matter to us which of the local men was appointed. It is only a matter of principle which we think should have had very serious consideration, not only by Council, but also by the professional psychologists, who maybe were not completely informed regarding all the political facets in our town in the past 8 years. As we said, we have no objection to Mr. Wheatling as a good citizen of our town, but we surely stick by our principles in this matter.

HONOUR THE 66 %

During the last Council meeting, a letter written by the Swimming Pool Committee to Mayor Veress came under discussion. In our opinion, this letter didn't receive the attention which it really deserved. The swimming pool is not just a promotion project of the Swimming Pool Committee, but is also backed by 66% of our voters in town. We have to honour the wishes of this 66% and do what we can to assure them that their votes are recognized as a clear democratic voice. It is good to know that Mayor Veress is giving his wholehearted support to the contents of this letter, and his remark, "the swimming pool will be in the 1965 budget", gives us some hope that this aim will one day be a reality. But we should not forget the Local Authorities Board who have a lot to say about the spending of our money. The Swimming Pool Committee is to be complimented for their continuous efforts to keep this project alive. The Committee will receive an answer to their letter from Mayor Veress.

MINOR HOCKEY WEEK

This is the week in which we in Canada give special attention to Minor Hockey. Ten thousand Canadian youngsters are involved in this exciting sport during the winter months. Hundreds of leagues operate an intensive program to keep the boys busy. By keeping busy playing hockey, your boys have no time to be roaming the streets. Canada's national sport is a tremendously good use of leisure time for our young boys.

Do you ever think what it must be to organize these thousands of boys in these leagues? Have you ever asked yourself if you could help those who, day in and

ANGLICAN CHURCH

Sunday January 31st The community petition, requesting that changes in the local liquor licensing be made the subject of a local option vote, will be available for signature at 11 a.m. Your support for this petition will ensure that every resident of the community may have the opportunity to express his or her wish in this matter.

Annual Meeting Encouraging reports of growth and stability were received at the annual meeting in an atmosphere of friendly discussion.

New officers appointed or elected in addition to those already serving include: Mr. P. Glenfield - Minister's Warden; Mr. D. Thompson - People's Warden; Messrs. R. Russell, R. Jickling, Dwayne Bishop, J. Schroder and Mrs. M. Coleman to the vestry. Mr. G. Walker, Mr. R. Kaitby and Mr. D. Knowles were elected as lay delegates to the Synod of Edmonton, with Dr. A. Proudfoot and Mr. F. Neill to act as substitute delegates.

A budget of \$9,787.00 was adopted after some discussion. Details of the recent purchase, by the diocese, of a church site on Hanes Road were studied and the prospects for the erection of a church building reviewed in some detail. After votes of thanks had been extended, refreshments were served by members of the W.A.

Dear Letter to the Editor,
The qualifications of the newly appointed
Secretary Treasurer are indeed ques-
tionable. But let my good friends or

Council it is not without reason that
Mr. Wheatling was appointed.

Mr. Wheatling should be reminded of Mr.
Tewar's remarks on July 1st, 1964,
"There may be enthusiastic amateurs re-
garding their paid jobs as long as they get
into trouble."

I suggest that Mr. Wheatling's qualifi-
cations are exactly that of a paid am-
ateur. Over Mr. Wheatling's years
of Mr. Wheatling's appointment stated before

Council on March 12th, 1963. "That he
no longer wished to be completely res-
ponsible for the town's financial and
administrative problems", also stating,
"I am neither an engineer nor a lawyer
and to do the job properly I should be
both".

Our town seems to be further degenerat-
ing into a morass of our Council's mak-
ings, and one cannot help but reflect
on whether this was not a political ap-
pointment and somewhat unethical, due to
the fact that a Secretary Treasurer must
be unbiased in relation to Town politics
as well. Now that Mr. Wheatling would
never be unbiased and unprejudiced in
this regard as he has well shown in the
past.

Gord Hughes.

Dear Sir,
On being informed today of the appoint-
ment of Mr. Wheatling as Secretary Treas-
urer of our Town, my reactions were of
unbelief, amazement and complete nausea.
Why was this appointment made? The
only answer possible is that it is a
political appointment, a Political Pay-
off by Mr. Veness and his co-horts.
Regardless of the qualifications of Mr.
Wheatling, and I personally do not think
his qualifications are such as to war-
rant his appointment, the basic princi-
ples of good Government and a civil
administration have been blatantly ig-
nored by the Council and by Mr. Wheatling
himself.

The same principles by Senior Public
Officers and Municipalities either
immediately prior to their appointment
or during their tenure of office cannot
be violated. A Secretary Treasurer is
supposed to provide continuity of govern-

ment through changes in the elected body and to do so he must of necessity be an impartial, unbiased, political onlooker. He must bear no political allegiance to any political party or faction if he is to carry out his responsibilities properly and in the interests of the Town as a whole.

That Mr. Wheatling just a few short month ago actively participated in an election by campaigning for the Mayor and Councillors who have now appointed him is a matter of fact and general knowledge.

Will we be asked to believe that at that time it was not known that Mr. Gee would resign and the position of Secretary Treasurer become vacant? Surely not, and yet the actions of the Mayor and his Council in many aspects of their administration would certainly indicate that this will be the case. It has been apparent in many instances that the Mayor and Council must be of the opinion that the electors of this Town are quite naive and that their wishes can be ignored or circumvented at will.

Will we be asked to accept that Mr. Wheatling was the most qualified applicant or that the salary requested by him was the most reasonable? Maybe so, but if so, this would not in my opinion warrant his appointment.

We have in the person of Mr. Billings, an employee who has been employed by the Town for more than five years in the capacity of Assistant or Acting Secretary Treasurer who has certainly more qualifications and experience than Mr. Wheatling but who refuses to accept the position of Secretary Treasurer, content to enjoy a rather lucrative position without responsibility. In the absence of a more qualified and experienced applicant, Mr. Billings should have been called upon to shoulder the responsibility of the position until the right person could be found.

It has often been said that people get the government they deserve, that at the time of election the electors have the opportunity to determine their government. We at least have the consolation if it is any consolation, of knowing that this does not hold true in St. Albert at the present time but it is certainly something we should remember in the future.

Yours truly,
G.A. Parkes.

Dear Sir,

This letter is concerning the appointment of Mr. Loyd Wheatling as Secretary Treasurer of this town.

I find it really hard to believe that out of a good number of applicants, Council came to the very unwise decision of giving the position to a man who is a well known political ally of Mr. Veness, and one of the organizers of his election campaign!

Does Council really feel that Mr. Wheatling can be completely impartial as far as decisions and procedures to do with the running of this town are concerned? Was Mr. Wheatling really the most qualified applicant, or is it another case of that old political standby "Payment for services rendered"? If this was so why did the Council bother going to the expense of getting a firm of management consultants in, and wasting the taxpayers money?

Yours truly,
"Concerned Resident"

Dear Editor,

The appointment of Mr. Loyd Wheatling as Secretary Treasurer for the Town of St. Albert raises several questions to my mind.

1. The fee of Lamond, Dewhurst & Associates Ltd. for their services?
2. Was the recommendation of Lamond, Dewhurst & Associates followed?
3. What are the qualifications and experience of the appointed Secretary-Treasurer?
4. If the position of Secretary Treasurer for the Town of St. Albert is a political appointment (as appears to be the case) then how is continuity of town affairs possible?

I have tried to contact several town officials to-day for answers to the above. Unfortunately they were not available for comment.

I trust that the answers to the above questions will be found in the Gazette in the very near future.

May I comment on the frequent derisive remark of our Mayor, "that was our previous administration". (heard at several council meeting). According to the minutes on record at the town hall, Mayor Veness and Mr. Wheatling were members of that Administration.

Thank you.
Yours truly,
Marion Sim.

UNITED CHURCH

On Sunday January 31, before and after the 11 a.m. Worship Service, an opportunity will be given for individuals to sign forms requesting that a plebiscite

be held in St. Albert in regard to the opening of a new liquor outlet in the proposed hotel development. Signing this form means only that the signer desires that the people of St. Albert express their wishes by a vote on this matter. Ours is an age when individual rights, freedoms and opinions are frequently disregarded. The clergy of all the congregations in St. Albert are joined in support of having a plebiscite held so that the people of St. Albert may express their mind in regard to this proposed liquor outlet.

Annual Meeting

On Sunday, January 31 at 2 p.m. in the Church, babysitting facilities will be provided. If everyone will read their reports when they receive them in the mail, the meeting can be kept strictly for discussion.

Rev. Dr. C. Dwight Powell, superintendent of Home Missions for Northern Alberta, will chair the meeting. Because of his back injury, Dr. Schwarz will be present for only a portion of the meeting. We urge all members and adherents to attend. This is an opportunity for the congregation to express itself in

regards to the Church's work and proposed activities for the coming year. Sturgeon Heights Unit U.C.W. will meet Wednesday, February 3, 8:15 p.m. at 5 Sunset Blvd. All ladies are welcome to attend. Chapter I of "God and His Purpose" will be discussed. Study books will be available at \$1.50 per copy. For information call 599-6261.

PRESBYTERIAN CHURCH

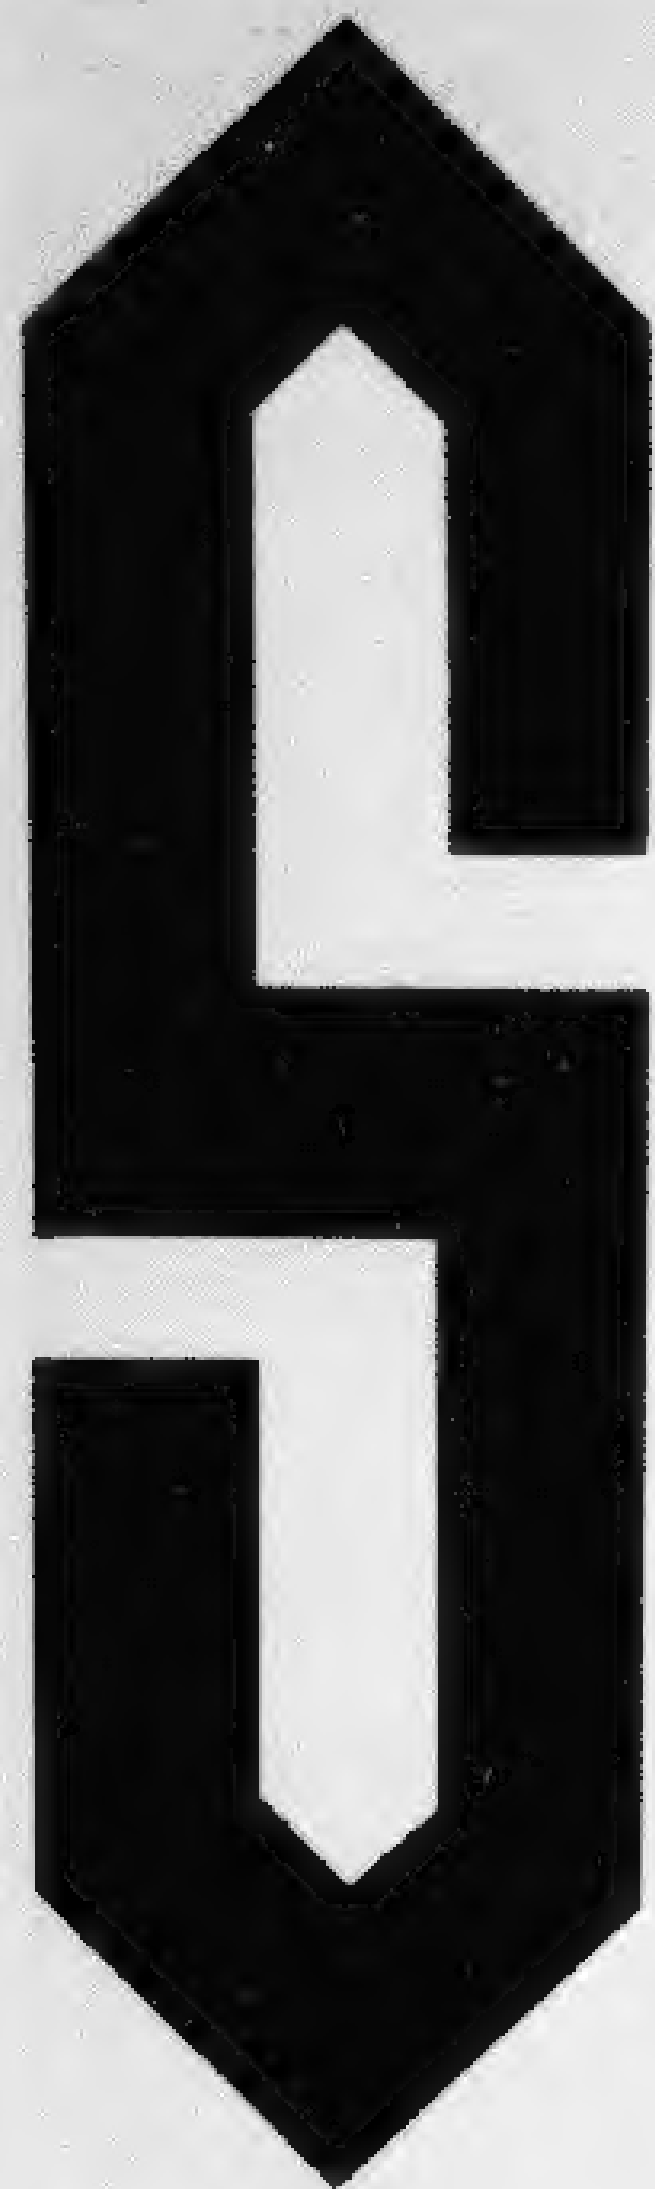

The St. Albert Presbyterian Congregation will hold a congregational meeting on February 17th, following the morning service for the purpose of choosing a name for the Church. The following names have been suggested: Marantha Presbyterian Church (Marantha means Come Lord Jesus), First Presbyterian Church of St. Albert, Good Shepherd Presbyterian Church, Redeemer Presbyterian Church, Faith Presbyterian Church, Goshen Presbyterian Church (The name of the original Presbyterian Church of St. Albert), St. Augustine Presbyterian Church, Braeside Presbyterian Church (After the location of the property on which the church is to be built), Grace Presbyterian Church.
